SERVICE NOT INCLUDED IN YOUR BILL A TIP FOR THE STAFF IS MOST WELCOME.

Dear Customer, Welcome to Khaw Glong

This restaurant has a few important characteristics that we wish you to know:

Everything we will bring to your table is cooked freshly for you: we do not pre-cook anything and we do not use any pre-cooked ingredients. For this reason you might have to wait a few minutes longer than what you might have experienced in other restaurants. We buy whatever can be bought daily and locally at the local fresh food market thus minimizing the use of frozen or processed food.

We use **NO MSG (monosodium glutamate)**

We can cook most of the dishes in the menu in a **vegetarian** manner; just let us know about your needs or allergies.

YOU CAN CHOOSE HOW SPICY YOU WANT YOUR FOOD TO BE COOKED, PLEASE LET US KNOW:

0 - NO SPICY | 1 - **MILD SPICY** | 2 - **MEDIUM SPICY** | 3 - **THAI SPICY**

THAI CUISINE ALSO USES A LOT OF SPICES THAT YOU MIGHT OR MIGHT NOT LIKE:
